Now to  
February 5, 2012

# ALOKA RAINBOW KIDS PROGRAM

## Head • Heart • Hands-on

A Family Dhamma Program

**Methods of delivery:**  
Multiple intelligence, experiential learning, contextual learning, role play, self exploration, study tours, projects, team-building and parent-children-teacher engagement

### Introduction:

The Aloka Rainbow Kids (ARK) Program is created to promote and provide effective Dhamma education, in a creative, meaningful and holistic way for children, parents and facilitators, to establish a community of wise, happy, compassionate, well-rounded and strong leaders and Dhamma-farers. The ARK Program is the brain child of Ven. Mahinda. Assisted by the Aloka Education Team and ARK facilitators, the 2010 ARK Program was first launched on 25th April 2010.

The ARK's motto is Head. Heart. Hands-on. The programs are designed "to bring forth" the sublime teaching of the Buddha on the miracles of education, bringing out the ancient wisdom, knowledge, skill and virtues for the realization of one's fullest potentials and the ability to overcome all forms of challenges in one's life.

ARK adopts a contemporary approach. Learning becomes an adventure where participants are engaged in the learning of dhamma through the use of technology and the application of multiple intelligences. It welcomes the spirit of Ehipassiko (Come and Experience it for yourself) for those who are committed in making the Buddha-Dhamma a way of life.

### Application requirements:

Age group: 8 to 11 years old,  
\*( with one parent committed to participate in the programme as per scheduled with the child. )

### Commencement:

From 4th week of March 2012 (2nd and 4th Sunday)

### Time:

9am to 1pm

### Venue:

Aloka House, D8-9-2, Block 8, Pusat Perdagangan Dana 1, Petaling Jaya.

\*The programme is free of charge. However, donations are welcome to defray utility and teaching materials costs.

\*Only RM100 for Program Starter Kit: 2 T- Shirts, 2 Alert Bowls, 2 Badges, 2 ARK Blog Diaries for new participants.

\*Only RM50 per participant for existing participants.
